SPECIAL SERIES

Regal Line's

Native American Series featuring artist

Arthur Short Bull©

Beautiful Water Colors

Arthur Short Bull is an Oglala Lakota watercolorist who has been painting since 1991. Having been raised in a traditional Lakota family contributes to his artistic vision. The medium of watercolor also gives his work a delicate edge that captures in a single brush stroke a spirituality that is uniquely his. His artwork communicates and expresses spirituality that will touch every family's heart.

He continues to reach out to the Native community, primarily the youth, to increase their knowledge of Native history. We are very fortunate and pleased to be able to introduce his artwork with this very special line of funeral stationery.

Catherine Elliott© Illustrations

A contemporary, classy, and consummate artistic professional.

Contemporary impressionist painter Catherine M. Elliott captures the radiant magic of each moment through her lifelong love of art and nature.

Her award winning masterpieces are recognized by Meryl Streep, Sir Richard Branson, Willy Nelson, and other prominent art collectors. Inspired by famous artists Monet, van Gogh, and Willard Metcalf, Catherine's artwork conveys a spirituality and sentimentality that families will appreciate and enjoy.

Acknowledgments

With the "Lovely Card" poem

Interior Verse:

Perhaps you sent a lovely card, Or sat quietly in a chair;
Perhaps you sent beautiful flowers, If so, we saw them there.
Perhaps you sent or spoke kind words, As any friend could say;
Perhaps you were not there at all, Just thought of us that day.
Whatever you did to console the heart,
We thank you so much, whatever the part.
